Question II.A.8.a

Question: Describe the business rules and other factors that determine where you build your Connections. Examples of such rules/factors are minimum Term Commitments or minimum capacity commitments by the buyer; maximum build distances from the building to your core network; and/or number of competitors in the area. Include, also, any factors that would prevent you from building a Connection to an otherwise suitable Location. These could be factors that are under your control or those that are not.

Question II.A.11 Part 2**

Optional Question:

In addition, identify the five largest RFPs (by number of connections) for which you submitted an unsuccessful competitive bid in 2013 for each of (a) Dedicated Services; (b) Best Efforts Business Broadband Internet Access Services; and, to the extent different from (a) or (b), (c) some other form of high-capacity data services to business customers.[2] For each RFP identified, provide a description of the RFP, the area covered, the price offered, and other competitively relevant information. Lastly, identify the business rules you rely upon to determine whether to submit a bid in response to an RFP.

Response: See II.A.11 Part 1 data container responses uploaded as Highly Confidential.

Question II.D.2.

Question: Identify where your company's policies are recorded on the following Dedicated Service-related processes: (a) initiation of service; (b) service Upgrades; and (c) service Disconnections. For instance, identify where your company records recurring and non-recurring charges associated with the processes listed above. If recorded in a Tariff, provide the specific Tariff section(s). If these policies are recorded in documents other than Tariffs, list those documents and state whether they are publicly available. If they are publicly available, explain how to find them. For documents that are not publicly available, state whether they are conveyed to customers orally or in writing.
